

**SRI H. D. DEVE GOWDA.**—I know the Hon'ble Minister of State is holding that portfolio and that he is only assisting the Chief Minister. If the Chief Minister was present, I would have insisted him to answer my question. He is also a responsible Minister and who shares the joint responsibility of the cabinet. Since I have brought the entire matter to your notice, will you kindly take action against the officer who has violated the direction given by the Government; or is the policy of the Government to help an officer who acts to the tune of the Minister?

**SRI K. H. SRINIVASA.**—I am taken by surprise. This information has not been brought to my notice hitherto. If the Hon'ble member writes a letter to me, I shall look into it.

**SRI H. D. DEVE GOWDA.**—I had written several letters to the Chief Minister about this officer.

**SRI K. H. SRINIVASA.**—I will certainly enquire into the matter. If any action is called for, I shall take action against that officer.
